Honorable Roger W. Titus

Re: **Consolidated Malibu Media Proceeding in District of Maryland**  
**8:13-cv-0360-RWT**

Judge Titus:

I represent approximately fifty (50) ISP subscribers who have been threatened with suit by Malibu Media, LLC, including several clients involved in cases pending in the United States District Court for the District of Columbia.

At present, I do not have any clients in Maryland, but I have recently become aware of the above-referenced proceeding, and have taken a keen interest in it.

Although the initial March 12, 2013, deadline in which to seek leave to participate in this Court's consolidated proceeding passed without my becoming aware of it, I understand that the Court may invite the current *amici curiae* to further comment on the procedure the Court is working on promulgating for these cases.

If indeed the Court is inclined to entertain further comment from *amici*, I would welcome the opportunity to participate as such.

Respectfully,

Morgan E. Pietz
